

MID-OHIO ESC CCP, SCHOLARSHIP AND FAFSA INFORMATION NIGHT

GRADES 6-11 PRESENTATION

6:00 p.m.

Welcome and Introduction of Speakers

6:20 p.m. - 6:30 p.m.

Carrie Bash, NC State, Overview of College Credit Plus Program in Ohio; Expectations, Admissions and Outcomes; How to apply to NC State

6:30 p.m. - 6:45 p.m.

Carla Coon, CCP and admissions at Ashland University

6:45 p.m. - 7:00 p.m.

Kayla Smith, CCP and admissions at Ohio State University

Annual Information Session

IN PREPARATION FOR 2022-2023 SCHOOL YEAR

What is College Credit Plus?

College Credit Plus is Ohio's dual credit program

- Students can earn high school and college credit at the same time
- Students enroll in college courses and adhere to the policies and requirements of the college

What is College Credit Plus?

Students in Grades 7 through 12:

- Must be Ohio residents
- Attend an Ohio secondary school (public or private) or
- Receive homeschooling instruction
- May apply to any Ohio public college or participating Ohio private college (or approved out-of-state college)
 - May apply to multiple colleges
 - May attend multiple colleges
- Must complete an assessment exam and be determined “eligible” based on exam scores for CCP
- *NOTE: Additional options for “eligible” determination are being considered, but will not be finalized until spring of 2022
- Discuss this with a college advisor
- May choose from a variety of college-level courses
 - As determined by placement testing & course eligibility rules

What is College Credit Plus?

Students in Grades 7 through 12:

- Must successfully complete the courses in order to earn the credit
- Even if a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student's final grade
- The high school transcript will match the college transcript with the course grade
- May take classes during the summer, fall, & spring semesters
- May take courses at the high school*, college campus, or online
 - **Taking courses at the high school is only available if the high school has partnered with a college or university to offer college courses at the high school*
- Can earn credit to satisfy both high school and college requirements
 - 3 or more Credit Hour College Course converts to One High School Unit

How can students participate?

Step 1: Eligibility

Students must be “eligible” for College Credit Plus participation based on assessment exam scores

- Students’ scores must show that they are ready for “college-level” courses in at least one subtest on an exam
- Exams include ACT, SAT, Accuplacer, ALEKS, PlaceU, or MapleSoft
- Colleges and universities will review students’ scores using statewide standards
- ***NOTE: Additional options for eligibility are being considered, but will not be finalized until spring of 2022***
 - Discuss this with a college advisor

How can students participate?

Step 3: Course Registration

- If the student is considered eligible and has been admitted to the college, then:
 - The college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements

CCP courses can satisfy high school graduation requirements

- School counselors can help students understand graduation requirements and CCP course substitutions
- Some high schools have more requirements for graduation than the state minimum

Students may be accepted into the CCP Program but may not meet requirements for certain courses. (It is up to the student and family to verify these requirements have been met before the deadlines set forth by the high school and college.)

Course Eligibility Rules

Students must complete their first 15 credits in Level I courses, which include:

- Transferable courses
- Courses in IT, Computer Science, Anatomy & Physiology, foreign language
- Courses that are part of a technical certificate
- Courses that are part of a 15- or 30-credit pathway
- Courses in study skills, academic or career success
- Colleges must post their Level I courses – see website for details
- Once a student completes the First 15 credit hours in Level I, he or she can enroll in Level II courses
- Level II courses are any other allowable college courses for which a student meets the prerequisites

Non-allowable courses include:

- Private applied courses with one-on-one instruction (such as performing art lessons)
- Courses with high fees
- Study abroad courses
- Physical education courses
- Pass/Fail graded courses
- Remedial courses or sectarian/religious courses

What are other requirements?

Grades

- College Credit Plus grades earned in the college course is the same grade that will be on the high school transcript
- CCP course grades will be factored into the high school and college GPAs

Grade Weighting

- If a high school uses a weighted grading scale for Advanced Placement, International Baccalaureate, or Honors courses in subject area:
 - Then CCP courses in the subject area will be weighted using the same scale to calculate the student's grade point average and class rank
- Students should consider courses in a career pathway that interests them
- Students should ask about pathways that identify courses leading to a major or degree requirements

Graduation Requirements

- Students must work with school counselors to ensure they are meeting any mandatory testing or other graduation requirements

How many classes can Non-public School & Homeschool students take?

- Non-public School & Homeschool students must apply for College Credit Plus funding every year.
(Up to 30 credit hours)
- Students must provide a copy of the Funding Award letter to the college
- Students must be awarded enough credit hours for the entire college course
 - If a student was not awarded enough credit hours for the entire college course, the family must self-pay for the entire course
 - This is Option A, where the student/family work directly with the college to make payment

How Non-public & Homeschool families Apply for Funding

1. Parent/guardian must create an OH|ID at <https://ohid.ohio.gov>
 - This step can be completed at any time and will take a few days for the OH|ID to be assigned
 - If a parent already has an OH|ID, the parent should use the existing OH|ID
2. Parent/guardian will use the OH|ID to log into the <https://safe.ode.state.oh.us/portal>
3. Complete the Intent to Participate section in the CCP funding application (electronically)
4. Upload the college acceptance letter
 - *Apply early to the college to gain admission prior to the final funding deadline
5. Complete all sections of the Funding Application and submit by April 1, 2022.
 - **NO exceptions to the deadline!**
 - You will receive an email confirmation once you have submitted the funding application

How Non-public & Homeschool families Apply for Funding

- If parents have any difficulties with the Funding Application, contact ccp@education.ohio.gov for assistance as quickly as possible
- Keep in mind that many families will be applying and possibly seeking assistance – Apply early!
 - The Funding Application will be available in early February and the deadline to submit is April 1, 2022
 - Check the website for information and the Funding Manual (released in Feb): www.ohiohighered.org/ccp/students-families

What are differences between high school & college?

Tests

- High School: Tests are sometimes given weekly or at the end of the chapter
- College: Tests are generally fewer in number and cover more material

Study Time

- High School: Required homework ranges between 1 to 3 hours per day
- College: Standard rule of 2 to 3 hours of homework for every hour spent in class (3 to 5 hours per day)

Knowledge Acquisition

- High School: Information provided mostly in-class. Out-of-class research is minimal
- College: Coursework will generally require more independent thinking, longer writing assignments, and out-of-class research

What are differences between high school & college?

Grades

- High School: Numerous quizzes, tests, and homework assignments
- College: Few tests and fewer, if any, homework assignments will be used to determine final grades

Role of Parents

- High School: Parents are strong advocates working closely with teachers and counselors
- College: Parent serves as a mentor and support for the student; the college views student as independent decision-maker
- College: The Family Education Rights and Privacy Act (FERPA) protects student education records

Accommodations

- *High School:* Parents and students work with high school to determine what assistance or accommodations can be made for students with IEPs or 504 plans.
- *College:* Students must work directly with college staff to determine if accommodations are needed. IEPs and 504 plans may or may not be included in the discussions.

What are benefits of participating in College Credit Plus?

Students can:

- Earn high school and college credits at the same time
- Get a “head start” on career planning and degree or certificate completion
- Experience college early to understand the expectations of college life
- Save tuition and textbook costs

What are the consequences of underperforming?

- **If students do not earn a passing grade or if they withdraw too late from college courses, the district may require students/ families* to reimburse the tuition that the district paid**
- The grades that students earn will be on the students' college transcripts permanently
- If students fail or withdraw often, future financial aid may be also impacted negatively
 - For more information, contact the college's financial aid office for details
- If students perform poorly, they may be placed CCP Probation, CCP Dismissal or on academic probation or dismissal by the college

*If a student is considered “economically disadvantaged,” a school may not seek reimbursement

Underperforming Student Rules

College Credit Plus Probation

- A student will be placed on CCP probation if they **earn less than a cumulative 2.0 GPA** in CCP courses or withdraws from 2 or more courses in one academic term

While on CCP Probation, the student

- May only enroll in one College Credit Plus course for one college term (semester or quarter)
- May not enroll in a college course in the same subject in which student previously earned D, F, NC grade (or equivalent grade)

What are the expenses for College Credit Plus?

- At public colleges or universities, there will be no cost to the students/families for tuition, required fees, and books
- At private colleges or universities, there will be no cost to the students/families for tuition, required fees, and books AND students may be charged a small cost per credit hour
 - Check with the private college to see if they will charge this fee

Reminders:

- Non-public and Homeschool families must apply for state funding
 - Any course that exceeds the state funding is the financial responsibility of the family
-
- Some optional expenses are the responsibility of the student/ family (*Examples: Parking and transportation*)

What are the expenses for College Credit Plus?

By April 1, 2022

- Public School students must complete and return the **Intent to Participate** form to their school
- Private school families must complete the electronic **Intent to Participate** form and the Funding Application at <https://safe.ode.state.oh.us/portal>

Options A & B

- Students must confirm with the college and the secondary school if the student will take advantage of College Credit Plus using state funds (Option B) or if the student will “self-pay” (Option A) for the college courses
- The final date to change the election of Option A or Option B is on or before the college’s no-fault withdrawal date

What are the expenses for College Credit Plus?

Option A (Self-Pay)

- Students can choose Option A – the family/student will “self-pay” for college courses at the standard rate of tuition, fees, and textbooks
- Under Option A, students can choose to earn college credit and high school credit OR only college credit (students must inform the school of their choice of credit for courses)

Option B (CCP Default)

- Students can choose Option B – all college course tuition, fees, and textbooks will be paid by the state of Ohio (supported by the school’s foundation funds and the college’s funds)
- Under Option B, students will earn college credit and high school credit
- Option B is the “default” or standard option for College Credit Plus
- Students may be asked to confirm the election of Option B during the college advising process

What are support services are available for students?

College

- **Questions for the college**
 - Scheduling college classes
 - Eligibility
 - Class assignments
 - Procedures
 - College programs
 - Communication with professors
 - Transcripts
 - Problems with the class
- College advisors provide course selection assistance
- Colleges must provide the same academic supports to College Credit Plus students such as tutoring, library access, advising/counseling

Your Local High School/Middle School

- **Questions for your School Counselor**
 - CCP program information
 - HS/MS Schedule
 - Completing HS/MS portion of participation paperwork
 - Managing Earned HS/MS Credits
 - Managing HS/MS Permanent Record

High school counselors continue to provide assistance to all College Credit Plus students

What about athletic eligibility?

Student athletes should:

- Learn the Ohio High School Athletic Association (OHSAA) requirements
- Know that summer term CCP courses cannot be used to bring a student into compliance with the OHSAA requirements for interscholastic athletic participation

Will the course credits transfer?

- Certain general education and technical courses will transfer especially from one Ohio public college to another Ohio public college
- Students must check with colleges to confirm transferability
- Students should also visit <https://transfercredit.ohio.gov> for transfer information

What does being “college-ready” mean?

Being “college-ready” is more than just being academically ready

- Consider emotional and social transition and college expectations
- Consider time management and organizational skills
- Consider content that will be presented at the college level
- Grades earned in a CCP course are for high school AND college credits and will be calculated into the student’s GPA at both places
- College Credit Plus credits will be utilized in the calculation of financial aid (after high school)

What are the deadlines?

April 1, 2022

- Public School Students must complete and return the Intent to Participate form to their school
- Private school families must complete the electronic Intent to Participate form and the Funding Application at <https://safe.ode.state.oh.us/portal>

Check ACT and SAT testing dates

Test early to meet college/university admission deadlines (if required)

Semester deadlines

Summer semester deadline will be early as classes usually start in May.

Check with the college for all other semester deadlines.

HOW DO YOU GET STARTED?

Public School Students:

- Complete the Intent to Participate form and provide to the school office before April 1.
- Apply for admission at the college of choice before the college's deadline
- Contact the college and discuss assessment testing requirements
- Meet with your school counselor to discuss scheduling and graduation requirements

HOW DO YOU GET STARTED?

Non-public School & Homeschool Students:

- Apply for admission at the college of choice before the college's deadline
- Contact the college and discuss assessment testing requirements
- Start the funding process early and submit the funding application by April 1
 - Funding application opens in February
- Meet with your school counselor to discuss scheduling and graduation requirements

Do you have other questions?

Visit the CCP website for additional resources:

FOR 2022-23 CCP ENROLLMENT

CCP with North Central State College

1) By the Semester Deadline, **Apply** to NCSC for CCP, <https://ncstatecollege.edu/ccp/>

SU22: April 1 FA22: June 1 SP23: November 1

2) Submit **Transcripts** to NCSC, ccp@ncstatecollege.edu

3) Establish your Statewide **CCP Eligibility & Admission*** (ACT or ACCUPLACER)

*New State Requirement: CCP Permission Slip and Questionnaire

**Some courses require higher test scores

4) Build your NCSC **Course Plan**

5) Complete **CCP Orientation & Course Registration**

*Private school and Homeschool students must also apply annually to ODE for CCP funding by April 1,
and submit a copy of CCP funding letter to NCSC or make payment arrangements with NCSC.

NC North Central
State College | **CCP**
COLLEGE CREDIT PLUS

Tuition Freedom Scholarship (TFS)

Why CCP with NCSC?

Earn the *Tuition Freedom Scholarship!*

Award is up to an associate degree, or a max of 64 credit hours with NCSC - *tuition free*

- ✓ Complete 8-9 hours of NCSC credits through CCP, or a qualifying Career Tech program*
- ✓ Minimum GPA of 2.75 for both high school & college
- ✓ Apply for TFS during senior year of high school; complete required steps by the deadlines.
 - *Direct Admission into a Health Sciences program will require 9 hours for TFS
 - TFS applies to tuition only. It will *not* cover fees or textbooks.
 - TFS *can be combined* with other NCSC scholarships.
 - NCSC credits earned in high school are deducted from the scholarship's 64 hour cap.

Level One Courses at Ohio State

Experience Ohio State classes for free while working towards not only your high school graduation requirements, but your future college degree!

See all level one courses offered at Ohio State at go.osu.edu/ccplevelone

See how ccp courses transfer from one institution to another at:

- Transferology.com
- Transfercredit.ohio.gov

Questions I'll ask you before scheduling:

- What courses do you need for high school graduation?
- What career are you planning on pursuing after high school?

Earn your Ohio State Degree!

**Business Administration • Child & Youth Studies • Biology • Criminology & Criminal Justice
Early Childhood Education • Engineering Technology • English • History
Middle Childhood Education • Psychology • Social Work • Sociology • Nursing**

Start any of the 200+ Ohio State degree in Mansfield.

Complete an Associate's Degree or one of 13 Bachelor's in Mansfield.

Step 1: Apply

- Apply in less than 20 minutes at go.osu.edu/mansccp
- At the bottom of that webpage is a video that walks you through the application
- Go to that page for an application check list for both public and non-public school students including information about the funding application!

Step 2: Talk to your Counselor

-  Request your High School Transcript be sent by your school and emailed to esue-studugt@osu.edu
-  Request your High School Info Form be sent by your school and emailed to esue-studugt@osu.edu
-  Talk about if CCP is right for you and if you have the time for it!

Step 3: Test Scores or Test Optional

Submit ACT, SAT or OSU Accuplacer scores to Ohio State on a transcript for admissions or apply as a test optional

See test scores needed or the test optional criteria at go.osu.edu/mansccp

Sub scores from more than one test can be used

You can sign up for the OSU Accuplacer if needed at go.osu.edu/mansccp

Step 4: Watch Your Email

Keep an eye on your email for more information regarding:

- Signing the permission slip and sending it back to OSU!
- Activating your username and osu email
- Accepting Admission
- Signing up for Orientation
- Signing up for Scheduling
- Placement Testing (if needed)
- And more!

THE OHIO STATE UNIVERSITY

MANSFIELD

Conard Learning Center

- Free Tutoring
- Open 40+ hours a week- even weekends
- Tutors in all areas
- Study Sessions
- One on one appointments
- Group appointments by class

Clubs and Organizations

- More than 20 clubs and organizations
- Major specific, extra curricular
- Campus Events

Other Amenities

- Free Parking
- Average Class size is 19
- Ohio State Advising
- Ohio State Retention
- Disability Services
- Student Engagement
- Rec Center
- Career Services
- Degree Pathways
- Research
- OSU Application Assistance & Workshops

Important Note:

If you plan to attend any Ohio State Campus after high school graduation, you are starting your Ohio State GPA as a CCP Student. Remember, it is competitive admissions to get into Columbus but open enrollment to get into a regional campus! After one year at a regional (post high school) you can go to Columbus through the Campus Change program.
