

The Richland School of Academic Arts

Where Academics & Arts Come *Alive*

6th Grade Teacher Opening

Position: 6th Grade (ELA and Social Studies Focus Preferred but not required)

Licensure: (4-9) Middle Childhood ELA/Social Studies

The Richland School of Academic Arts is a public charter school that emphasizes the integration of visual and performing arts and hands-on learning instruction. Founded in 2012, our school has a community of 350 learners and 41 staff members. We offer a safe and nurturing environment for students and class sizes to support the learning of our students and their many different backgrounds. We are in the top 5% of Charter Schools in the State of Ohio and have a diverse school population that sees consistent success in the classroom on an annual basis. We are sponsored by Buckeye Community Hope Foundation and have strong professional development support and accountability with BCHF through our partnership.

We are looking for teachers with energy and enthusiasm for their content area and for engaging students.

Expectations:

1. Build relationships with your students and families and have engaging lessons to instill the benefit and love of learning with your students.
2. Commitment to providing the best core instruction and flexibility with the integration of arts into our programming.
3. Set high expectations and standards for achievement in your classroom.
4. Engage in activities that allow students to tap into their creativity and develop the skills needed for learning and achievement.
5. Work with students to develop their individual voice and identity in their learning, fostering awareness of others and emotional self-control by applying problem solving techniques.
